

Duplin County 4-H Livestock Program

Livestock Projects

Receive help on where to buy animals, how to care for, and showmanship.

Skillathon

If you like to learn about animals, this is for you! Youth are educated on care, breeds, feed stuffs, and more. Then compete with youth across the state at NC State campus.

Judging

Learn how to evaluate good and bad traits in livestock and how to find an ideal animal for the industry. Gain public speaking skills while giving reasons to an official at contests.
